Bob Abrams has been performing live for forty years in venues ranging from restaurants and pubs to The Sky Dome and Greek Theater. Entertainment through singing and playing guitar is his lifeblood. Bob loves people and brings a quick wit and a flip rye sense of humor to every performance. He doesn't just put on a show he creates *an experience*. With a desire to please there isn't a pop song written that he isn't willing to give a shot. His vast range brings soul to its knees when performing Motown hits of the 60's and 70's. A deep Understanding of Rock-n-Roll and his Love of Jazz and people are what have brought him where he is today. Style, Presentation, and Professionalism are the creed by which Bob lives. One show and you'll see that he truly loves what he does.

Mick Brock (Michael Bruccoleri) is a man of endless talent. Vocals, Bass, Lead Guitar you name it he can do it.

Michael's ability to read and entertain a crowd is exceptional. He is one of the best band leaders in the business. As Band Leader/MC to many weddings, parties, pub dates, and dances he has **overseen events numbering in the 1000's.**

Michael Bruccoleri's diverse music background has lead him to perform Nationally with Artists such as **Herman's Hermits starring Peter Noone** ('Mrs. Brown, You've Got A Lovely Daughter', and 'I'm Into Something Good'), **The Turtles featuring Flo & Eddie, Tommy James, The Beach Boys, Three Dog Night, and Frankie Valli.**

Michael Bruccoleri received his first big break in New York's thriving Irish-American music scene in 1987 when the then extremely popular **Boston Burglars** began to hire him as their fill-in bass player and vocalist. In 1990, he joined **Mike Carroll & The Black Velvet Band (Donegal)** on a full-time basis. After The Black Velvet Band disbanded in 1992, Michael became a free-lancer, which afforded him the opportunity to play with the likes of (and learn the ropes from) such great New York area bands as **The Tommy Mulvihill Band, Carl Corcoran, Paddy Noonan, The Derek Cunningham Showband, and The Steve Hennessey Band.** In January 1997 Michael created an exciting, new band called **Good Clean Fun!** If you ask any one of the hundreds of clients, Good Clean Fun! is among the best party bands in the nation.

Michael's gift of drawing in people and keeping the music rolling has made many events "over the top successful". Michael Bruccoleri is beyond a doubt an outstanding Entertainer and Musician.
